

RIM

RIGGING INDUSTRIAL DE MÉXICO

RIGGING SOLUTIONS, ABOVE THE REST

SAFETY AND PRECISION IN EVERY LIFT.

Our History

With 25 years of experience, RIM Rigging Industrial de México SA de CV was established in the city of Querétaro with the firm purpose of providing safety in every maneuver through our distinctive teamwork approach, offering excellent service and customer care, constantly innovating and improving our personnel and equipment, positioning ourselves as one of the safest and most competitive companies in Mexico.

We understand that every client has different needs and complexities, which is why our team of experts guarantees peace of mind when entrusting us with such important projects.

OUR MISSION

To provide rigging services of the highest quality, ensuring the safety and satisfaction of our clients in every project. We use advanced technologies and innovative techniques to deliver efficient and reliable solutions tailored to the specific needs of each client.

Through a team of highly trained professionals with extensive experience, we aim to build relationships based on trust and collaboration, contributing to the success of every project we participate in.

We are dedicated to raising industry standards, prioritizing integrity, excellence, and continuous improvement in all our operations.

OUR VALUES

Quality

Quality is the guiding principle of our company. We are committed to offering products and services that exceed our clients' expectations, ensuring high standards at every stage of our projects.

Through continuous improvement, staff training, and cutting-edge technology, we guarantee precise and reliable results. At our company, quality is more than a goal — it is a promise fulfilled in every maneuver.

Service

Service is the heart of our company. We are committed to providing personalized attention and solutions tailored to the needs of our clients.

Our goal is to exceed expectations and build long-term relationships based on trust and respect.

Innovation

Innovation is the engine of our growth and success. Our commitment to innovation allows us to stay ahead of our clients' needs and offer cutting-edge alternatives that optimize their experience and results.
